Thorne Room miniatures

The magnificent detail of the **Thorne Rooms in Miniature**, will be presented by Lee Gibbs on Tuesday, May 26 at 11:30 A.M. Using slides of the Thorne Rooms Gallery at the Art Institute of Chicago, Ms. Gibbs will take her audience on a journey through the history of interior design from the 13th century through the 1930's.

The Thorne Rooms are the personal creation of Mrs. James Ward Thorne who collected miniature objects for 68 fully furnished period rooms, including European, Oriental, and American interiors. She commissioned skilled craftsmen to execute each room - and a hobby turned into an historical exhibition for everyone to enjoy.

Lee Gibbs is an art historian and teacher, who has presented several art lectures at our library and other libraries and organizations throughout the Chicago area.

Coffee and cookies will be served and everyone is invited to enjoy this artistic adventure.
